

Vocabulary Practice Board LI10249

- ❖ Fun, self-correcting resource for vocabulary development.
- ❖ Easy-to-use.
- ❖ Hexagonal shaped with 5 different recording points.
- ❖ Clear A6 dry-wipe window to insert any image (comes with 15 cards to get you started)
- ❖ A dry-wipe marker can be used to draw a line to the relevant section of the image making the resource great for labelling.
- ❖ Perfect for reviewing and learning vocabulary.
- ❖ Ideal for evidence in practical activities or for assessment.

Vocabulary Practice Board LI10249

A fun way to learn spellings and do dictations. Listen to the words or sentences and then write what heard.

Great for discussing a picture. Use as a visual support for learning new words and understanding concepts.

Perfect for labelling a picture or diagram, presenting vocabulary in a fun way.

Ideal for organising a piece writing. Record each section in a non-fiction report or build ideas for a story.

Develop a more varied and wide vocabulary using synonyms or antonyms and WOW words.

Vocabulary Practice Board LI10249

Develop listening skills. Listen to the recorded sentences or words and then find a picture to go in the slot that matches it.

Use to add further detail to sentences, adding adjectives and other words to make the sentences more interesting.

Perfect for group work to record everyone's ideas ready to report back to the class.

Ideal for individuals to use to record their work and give them confidence to share ideas with others.

We hope you enjoy using the Vocabulary Practice Board. If you have a brilliant idea that you would like to share with us, please get in touch.
