

Easi-Headset Wireless User Guide

(AV45184)

Easy-to-use wireless headphones with a built-in microphone. Designed for comfort and clear listening. With no wires gives the user flexibility to move about while using them.

What is included in your pack

Each pack contains:

- Easi-Headset with Bluetooth (Compatible with any Bluetooth 2.0 EDR + device)
- USB-C cable for charging
- Visual Quick Start Guide

Available in different pack sizes- 1pk, 10pk or 30pk.

Getting Started

Before using the Easi-Headset Wireless, make sure it is charged.

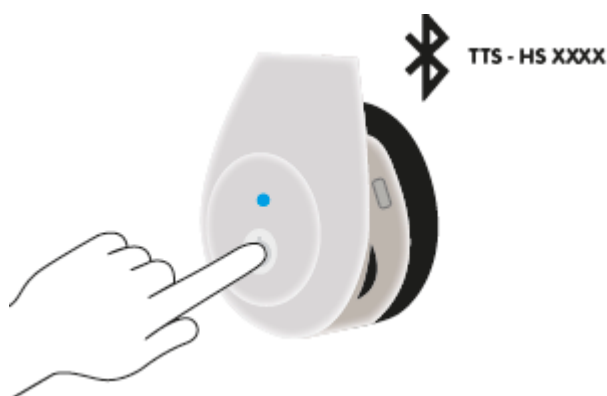

Conveniently charge by attaching the USB cable and plugging in.

- The Easi-headset will take approximately 4-5 hours until fully charged.
- Once charged it will last for approximately 8 hours of use.

Easi-Headset Wireless User Guide (AV45184)

- Switch on Bluetooth by pressing the Bluetooth button and connect to device. Compatible with any Bluetooth 2.0 EDR+ device.

- Adjust headband to fit user.
- Control sound by using the dial at the right-hand side of the headset as shown in the diagram.

- The headset has a built-in microphone.
- Hold  Bluetooth button to power off.
- Removeable ear cushions if they need replacing.

Enjoy a range of listening activities on the move, with these flexible comfortable Bluetooth headphones.

Comparing the Easi-Headphones

Here is a chart to show you what the different functions of the headphones do. We hope you find it useful.

All the headphones have adjustable, flexible headband and soft, fully enclosed ear cushions to minimise noise distraction.
